

225.7703 Acquisition of products or services other than small arms.

225.7703-1 Acquisition procedures.

(a) Subject to the requirements of 225.7703-2, a product or service (including construction), other than small arms, in support of operations in Iraq or Afghanistan, may be acquired by—

(1) Providing a preference for products or services from Iraq or Afghanistan in accordance with the evaluation procedures at 225.7703-3;

(2) Limiting competition to products or services from Iraq or Afghanistan; or

(3) Using procedures other than competitive procedures to award a contract to a particular source or sources from Iraq or Afghanistan. When other than competitive procedures are used, the contracting officer shall document the contract file with the rationale for selecting the particular source(s).

(b) For acquisitions conducted using a procedure specified in paragraph (a) of this subsection, the justification and approval addressed in FAR Subpart 6.3 is not required.

225.7703-2 Determination requirements.

Before use of a procedure specified in 225.7703-1(a), a written determination must be prepared and executed as follows:

(a) For products or services to be used only by the military forces, police, or other security personnel of Iraq or Afghanistan, the contracting officer shall—

(1) Determine in writing that the product or service is to be used only by the military forces, police, or other security personnel of Iraq or Afghanistan; and

(2) Include the written determination in the contract file.

(b) For products or services not limited to use by the military forces, police, or other security personnel of Iraq or Afghanistan, the following requirements apply:

(1) The appropriate official specified in paragraph (b)(2) of this subsection must determine in writing that it is in the national security interest of the United States to use a procedure specified in 225.7703-1(a), because—

(i) The procedure is necessary to provide a stable source of jobs in Iraq or Afghanistan; and

(ii) Use of the procedure will not adversely affect—

(A) Operations in Iraq or Afghanistan (including security, transition, reconstruction, and humanitarian relief activities); or

(B) The U.S. industrial base. The authorizing official generally may presume that there will not be an adverse effect on the U.S. industrial base. However, when in doubt, the authorizing official should coordinate with the applicable subject matter expert specified in PGI 225.7703-2(b).

(2) Determinations may be made for an individual acquisition or a class of acquisitions meeting the criteria in paragraph (b)(1) of this subsection as follows:

(i) The head of the contacting activity is authorized to make a determination that applies to an individual acquisition with a value of less than \$85.5 million.

(ii) The Director, Defense Procurement and Acquisition Policy, and the following officials, without power of re-delegation, are authorized to make a determination that applies to an individual acquisition with a value of \$85.5 million or more or to a class of acquisitions:

(A) Defense Logistics Agency Component Acquisition Executive.

(B) Army Acquisition Executive.

(C) Navy Acquisition Executive.

(D) Air Force Acquisition Executive.

(E) Commander of the Joint Contracting Command—Iraq/Afghanistan (JCC-I/A).

(3) The contracting officer—

(i) Shall include the applicable written determination in the contract file; and

(ii) Shall ensure that each contract action taken pursuant to the authority of a class determination is within the scope of the class determination, and shall document the contract file for each action accordingly.

(c) See PGI 225.7703-2(c) for formats for use in preparation of the determinations required by this subsection.
